

The Leader in Sport Stacking®

Dear BHE Parents,

I am really excited about the Sport Stacking unit we are currently doing in HF. Sport Stacking is an exciting sport where students stack and unstack 12-specially designed cups (Speed Stacks). Sport Stacking uses both sides of the body and brain developing important athletic and academic skills.

One of my goals, as a Physical Educator, is to promote activity at home through positive alternatives to computer, television and video game screen time. I believe that Sport Stacking is a unique, fun and simple activity that motivates kids to get up and move.

I have Speed Stacks sets for students to purchase here at Bunker Hill. **Here's why you should participate:**

- Sport Stacking is healthy for kids.
- Sets are only \$20.00 and you pay no shipping.
- Speed Stacks sets are available for immediate purchase.

***Act now, I have a limited supply of colors and quantities. This is NOT a fundraiser, just a limited opportunity.*** An order form will be going home with your student. Please choose from the list on the form and return the order and payment to the school (checks should be made payable to Speed Stacks). First come, first served!

Sincerely,

Coach Lassiter
